

LFWS Lead Water Service Line Inventory as of: 04/03/24

DISCLAIMER: US EPA requires that we provide this information to the public. This information is provided by the Lakeshore Forest Water System (LFWS) is based on historical data, information directly provided by customers, and in some cases, information acquired during physical inspections. LFWS does not guarantee the accuracy of these records, which shall be used for the sole purpose of providing property owners and residents with LFWS's best available data regarding their private water services, and not for any commercial, legal or other use. These records will be updated continuously as LFWS gathers additional information. LFWS requests that customers provide to it records of any service line replacements performed by property owners. LFWS reserves the right to alter, amend or terminate at any time the display of this information and records. It may not be accurate.

Any questions should be directed to President LFWS, PO Box 166, Murrayville Ga 30564.
